

**2018**

**THE MOVABLE BOOK SOCIETY PRIZE  
FOR EMERGING PAPER ENGINEERS**

In conjunction with the 2018 conference in Kansas City, MO

Entrants must be registered undergraduate or graduate students, or have just completed a course of study in the spring of 2018. Qualifying projects must include pop-up and/or movable structures and must have been created during a course of college study.

The Board of The Movable Book Society will jury from digital submissions.

Entries must include one video per book and a descriptive statement of less than 250 words. One or two books can be submitted for consideration.

Videos must be under 20 MB and labeled with the artist's last name in the following format: yourlastname1 (and yourlastname2, should it apply.) Send videos—or links to viewing the video through Youtube or Vimeo—and this pdf form to: emilym743@gmail.com. Include the descriptive statement in the body of the email. Provided videos will be used for jurying and for possible presentation at the conference.

The winner will receive:

- conference fee waived at the September 2018 MBS conference
- a \$500 stipend to be used for travel and lodgings at the September 2018 MBS conference
- a one-year membership to the MBS
- public recognition at the 2018 conference
- the opportunity to present at the 2018 conference

Two honorable mentions will also be announced.
